

The background is a solid light pink color. Overlaid on this are several abstract, expressive brushstrokes in a darker shade of pink or light purple. These strokes are of varying lengths and directions, some appearing as long, sweeping arcs and others as more concentrated, textured areas. Scattered throughout the background are numerous small, solid purple dots of different sizes, adding a speckled or starry effect to the overall composition.

**“With the  
support of Alice  
I have learnt not  
to be ashamed  
of my past”**
